**APPLICATION NO: P1741.11**

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

**Proposal:** Construction of a detached 2 storey building with accommodation in the roof comprising of 9No. 2 bedroom flats with garages to rear of site  
Revised plans received 03-01-2012

**Location:** land adj 3 Manor Avenue  
Hornchurch

The above decision is based on the details in drawing(s):

1046/01  
1046/02 A  
1046/03  
1046/04  
1046/V1  
1046/V2

subject to compliance with the following condition(s):

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2** Before the building(s) hereby permitted is first occupied, provision shall be made within the site for 9 car parking spaces and thereafter this provision shall be made permanently available for use, unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To ensure that adequate car parking provision is made off street in the interests of highway safety.

- 3** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 the garage(s)/carport(s) hereby permitted shall be made permanently available for the parking of private motor vehicles and not for any other purpose including living accommodation or any trade or business.

Reason:-

To provide satisfactory off-street parking at the site, and that the development accords with the Development Control Policies Development Plan Document Policy DC61

- 4** Before any of the development hereby permitted is commenced, samples of all materials to be used in the external construction of the building(s) shall be submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Reason:-

To ensure that the appearance of the proposed development will harmonise with the character of the surrounding area and comply with Policy DC61 of the Development Control Policies Development Plan Document.

- 5** No development shall take place until there has been submitted to and approved by the Local Planning Authority a scheme of hard and soft landscaping, which shall include indications of all existing trees and shrubs on the site, and details of any to be retained, together with measures for the protection in the course of development. All planting, seeding or turfing comprised within the scheme shall be carried out in the first planting season following completion of the development and any trees or plants which within a period of 5 years from completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local Planning Authority.

Reason:-

In accordance with Section 197 of the Town and Country Planning Act 1990 and to enhance the visual amenities of the development, and that the development accords with the Development Control Policies Development Plan Document Policy DC61

- 6** The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans, particulars and specifications.

Reason:-

The Local Planning Authority consider it essential that the whole of the development is carried out and that no departure whatsoever is made from the details approved, since the development would not necessarily be acceptable if partly carried out or carried out differently in any degree from the details submitted. Also, in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 7** The proposed bathroom windows serving all units and kitchen window to Unit 5 as shown on drawing No. 1046/02 shall be permanently glazed with obscure glass and with the exception of top hung fanlight(s) shall remain permanently fixed shut and thereafter be maintained to the satisfaction of the Local Planning Authority.

Reason:-

In the interests of privacy, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 8** No construction works or deliveries into the site shall take place other than between the hours of 08.00 to 18.00 on Monday to Friday and 08.00 to 13.00 hours on Saturdays unless agreed in writing with the Local Planning Authority. No construction works or deliveries shall take place on Sundays, Bank or Public Holidays unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To protect residential amenity, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 9** Before development is commenced, a scheme shall be submitted to and approved in writing by the Local Planning Authority making provision for a Construction Method Statement to control the adverse impact of the development on the amenity of the public and nearby occupiers. The Construction Method statement shall include details of:
- a) parking of vehicles of site personnel and visitors;
  - b) storage of plant and materials;
  - c) dust management controls;
  - d) measures for minimising the impact of noise and ,if appropriate, vibration arising from construction activities;
  - e) predicted noise and, if appropriate, vibration levels for construction using methodologies and at points agreed with the Local Planning Authority;
  - f) scheme for monitoring noise and if appropriate, vibration levels using methodologies and at points agreed with the Local Planning Authorities;
  - g) siting and design of temporary buildings;
  - h) scheme for security fencing/hoardings, depicting a readily visible 24-hour contact number for queries or emergencies;
  - i) details of disposal of waste arising from the construction programme, including final disposal points. The burning of waste on the site at any time is specifically precluded.

And the development shall be carried out in accordance with the approved scheme and statement.

Reason:-

To protect residential amenity, and in order that the development accords the Development Control Policies Development Plan Document Policy DC61.

- 10** Before any of the buildings hereby permitted is first occupied, screen fencing of a type to be submitted to and approved in writing by the Local Planning Authority, 2 metres (6ft. 7ins.) high shall be erected to all boundaries and shall be permanently retained and maintained thereafter to the satisfaction of the Local Planning Authority.

Reason:-

To protect the visual amenities of the development and prevent undue overlooking of adjoining property, and that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 11** Prior to the commencement of the development hereby permitted, a full and detailed application for the Secured by Design scheme shall be submitted to the Local Planning Authority, setting out how the principles and practices of the aforementioned scheme are to be incorporated. Once approved in writing by the Local Planning Authority in consultation with the Havering Crime Prevention Design Advisor, the development shall be carried out in accordance with the agreed details.

Reason:

In the interest of residential amenity and creating safer, sustainable communities.

- 12** The proposals shall provide a 2.1m by 2.1m pedestrian visibility splay on either side of the accesses, set back from the boundary of the public footway. There should be no obstruction or object higher than 0.6m within the visibility splays.

Reason:-

In the interests of highway safety.

- 13** The necessary agreement, notice or licence to enable the proposed alterations to the Public Highway shall be entered into prior to the commencement of the development.

Reason:-

To ensure the interests of the travelling public are maintained.

- 14** The proposed alterations to the Public Highway shall be submitted in detail for prior approval to the commencement of the development.

Reason:-

In the interest of ensuring good design and ensuring public safety and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

15 Prior to the commencement of any works pursuant to this permission the developer shall submit for the written approval of the Local Planning Authority;

a) A Phase I (Desktop Study) Report documenting the history of this site, its surrounding area and the likelihood of contaminant/s, their type and extent incorporating a Site Conceptual Model.

b) A Phase II (Site Investigation) Report if the Phase I Report confirms the possibility of a significant risk to any sensitive receptors. This is an intrusive site investigation including factors such as chemical testing, quantitative risk assessment and a description of the sites ground conditions. An updated Site Conceptual Model should be included showing all the potential pollutant linkages and an assessment of risk to identified receptors.

c) A Phase III (Risk Management Strategy) Report if the Phase II Report confirms the presence of a significant pollutant linkage requiring remediation. The report will comprise of two parts:

Part A - Remediation Statement which will be fully implemented before it is first occupied. Any variation to the scheme shall be agreed in writing to the Local Planning Authority in advance of works being undertaken. The Remediation Scheme is to include consideration and proposals to deal with situations where, during works on site, contamination is encountered which has not previously been identified. Any further contamination shall be fully assessed and an appropriate remediation scheme submitted to the Local Planning Authority for written approval.

Part B - Following completion of the remediation works a "Validation Report" must be submitted demonstrating that the works have been carried out satisfactorily and remediation targets have been achieved.

d) If during development works any contamination should be encountered which was not previously identified and is derived from a different source and/or of a different type to those included in the contamination proposals then revised contamination proposals shall be submitted to the LPA ; and

e) If during development work, site contaminants are found in areas previously expected to be clean, then their remediation shall be carried out in line with the agreed contamination proposals.

For further guidance see the leaflet titled, "Land Contamination and the Planning Process".

Reason:-

To protect those engaged in construction and occupation of the development from potential contamination.

- 16** Before the building (s) hereby permitted is first occupied, a scheme for lighting within the development, to include the lighting along the access road, shall be submitted to and approved in writing by the Local Planning Authority. The lighting shall be provided and operated in strict accordance with the approved scheme.

Reason:-

In the interest of residential amenity.

- 17** No development shall take place until the applicant has secured the implementation of a programme of archaeological work in accordance with a written scheme for investigation which has been submitted by the applicant and approved by the Local Planning Authority. The development shall only take place in accordance with the detailed scheme pursuant to this condition. The archaeological works shall be carried out by a suitably qualified investigating body acceptable to the Local Planning Authority.

Reason:-

Important archaeological remains may exist on this site. Accordingly the planning authority wishes to secure the provision of archaeological investigation and the subsequent recording of any remains, in accordance with the guidance set out in PPS 5.

#### INFORMATIVE:

Reason for approval:

The proposed development is considered to be in accordance with the aims, objectives and provisions of Policies DC2, DC3, DC33, DC36, DC61, DC63 of the LDF Core Strategy and Development Control Policies Development Plan Document.

Note: Following a change in government legislation a fee is now required when submitting details pursuant to the discharge of conditions, in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06.04.2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) is needed.

1. In aiming to satisfy condition 11 The applicant should seek the advice of the Police Crime Prevention Design Advisor. He can be contacted through the London Borough of Havering Development and Building control or Romford Police Station, 19 Main Road, Romford, Essex, RM1 3BJ. It is the policy of the Local Planning Authority to consult with the Borough CPDA in discharging of community safety condition(s)

2. With regard to surface water drainage it is the responsibility of a developer to make proper provision for drainage to ground, water courses or a suitable sewer. In respect of surface water it is recommended that the applicant should ensure that storm flows are attenuated or regulated into the receiving public network through on or off site storage. When it is proposed to connect to a combined public sewer, the site drainage should be

separate and combined at the final manhole nearest the boundary. Connections are not permitted for the removal of Ground Water. Where a developer proposes to discharge to a public sewer, prior approval from Thames Water Developer Services will be required. They can be contacted on 0845 850 2777.

3. Due to the layout proposed, the applicant is advised that the Council will give little weight to the amenity of the flank windows to bedroom 2 of units 1, 2, 3, 4, 6, 7 and 8 in the event of the redevelopment of the adjoining sites.

**IMPORTANT** - attention is drawn to the notes overleaf

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS  
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, [www.planning.inspectorate.gov.uk](http://www.planning.inspectorate.gov.uk)

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 7th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) will be required.
