392:KAH:05

KAH:392:01-A

Location Plan

subject to compliance with the following condition(s):

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2** The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans, particulars and specifications.

Reason:-

The Local Planning Authority consider it essential that the whole of the development is carried out and that no departure whatsoever is made from the details approved, since the development would not necessarily be acceptable if partly carried out or carried out differently in any degree from the details submitted. Also, in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 3** All new external finishes shall be carried out in materials to match those of the existing building(s) to the satisfaction of the Local Planning Authority.

Reason:-

To safeguard the appearance of the premises and the character of the immediate area, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 4** Prior to the commencement of the development hereby permitted, details of the measures to be incorporated into the development demonstrating how 'Secured by Design' accreditation might be achieved shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details, and shall not be occupied or used until written confirmation of compliance with the agreed details has been submitted to and approved in writing by the LPA

Reason:

In the interest of creating safer, sustainable communities, reflecting guidance set out in PPS1, Policy 4B.6 of the London Plan, and Policies CP17 'Design' and DC63 'Delivering Safer Places' of the LBH LDF.

5 Prior to the commencement of any works pursuant to this permission the developer shall submit for the written approval of the Local Planning Authority;

a) A Phase I (Desktop Study) Report documenting the history of this site, its surrounding area and the likelihood of contaminant/s, their type and extent incorporating a Site Conceptual Model.

b) A Phase II (Site Investigation) Report if the Phase I Report confirms the possibility of a significant risk to any sensitive receptors. This is an intrusive site investigation including factors such as chemical testing, quantitative risk assessment and a description of the sites ground conditions. An updated Site Conceptual Model should be included showing all the potential pollutant linkages and an assessment of risk to identified receptors.

c) A Phase III (Risk Management Strategy) Report if the Phase II Report confirms the presence of a significant pollutant linkage requiring remediation. The report will comprise of two parts:

Part A - Remediation Statement which will be fully implemented before it is first occupied. Any variation to the scheme shall be agreed in writing to the Local Planning Authority in advance of works being undertaken. The Remediation Scheme is to include consideration and proposals to deal with situations where, during works on site, contamination is encountered which has not previously been identified. Any further contamination shall be fully assessed and an appropriate remediation scheme submitted to the Local Planning Authority for written approval.

Part B - Following completion of the remediation works a "Validation Report" must be submitted demonstrating that the works have been carried out satisfactorily and remediation targets have been achieved.

d) If during development works any contamination should be encountered which was not previously identified and is derived from a different source and/or of a different type to those included in the contamination proposals then revised contamination proposals shall be submitted to the LPA ; and

e) If during development work, site contaminants are found in areas previously expected to be clean, then their remediation shall be carried out in line with the agreed contamination proposals.

For further guidance see the leaflet titled, "Land Contamination and the Planning Process".

Reason:

To protect those engaged in construction and occupation of the development from potential contamination.

- 6 Prior to completion of the works hereby permitted, cycle storage of a type and in a location previously submitted to and agreed in writing by the Local Planning Authority shall be provided and permanently retained thereafter.

Reason:-

In the interests of providing a wide range of facilities for non-motor car residents, in the interests of sustainability.

- 7 Prior to the commencement of works, details of a parking management plan for within the site shall, be submitted to and approved in writing by the Local Planning Authority. The development shall then be carried out in accordance with the approved parking management plan which shall be permanently retained thereafter.

reason:-

In the interests of residential parking provision.

The proposed development is considered to be in accordance with the aims, objectives and provisions of Policies DC2, DC33, DC36, DC61, DC68 of the LDF Core Strategy and Development Control Policies Development Plan Document.

Note: Following a change in government legislation a fee is now required when submitting details pursuant to the discharge of conditions, in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06.04.2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) is needed.

1. In aiming to satisfy condition 4 The applicant should seek the advice of the Police Crime Prevention Design Advisor. He can be contacted through the London Borough of Havering Development and Building control or Romford Police Station, 19 Main Road, Romford, Essex, RM1 3BJ. It is the policy of the Local Planning Authority to consult with the Borough CPDA in discharging of community safety condition(s)

2. The applicant is informed that the London Fire Brigade require the installation of a private fire hydrant. This is to be numbered P112106 and conform to BS 750:1984.

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 7th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) will be required.
