APPLICATION NO: P1229.11

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

Proposal: Erection of a building to replace buildings destroyed in a fire together with new security fencing and demolition of three existing buildings.

revised plans 23.9 & 20-01-2012

Location: Cranham Caravans
Southend Arterial Road
Upminster

The above decision is based on the details in drawing(s):

CC/22
CC/23
CC/26 A
CC/27 A
CC/28 B
CC/29a
CC/40
CC/41
CC/42
CC/43

subject to compliance with the following condition(s):

- 1 The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2** The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans, particulars and specifications.

Reason:-

The Local Planning Authority consider it essential that the whole of the development is carried out and that no departure whatsoever is made from the details approved, since the development would not necessarily be acceptable if partly carried out or carried out differently in any degree from the details submitted. Also, in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 3** The premises shall not be used for the purposes hereby permitted other than between the hours of 08:30 and 17:30 on Mondays to Saturdays and between 09:00 and 17:00 on Sundays and Bank Holidays without the prior consent in writing of the Local Planning Authority.

Reason:-

To enable the Local Planning Authority to retain control in the interests of amenity, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 4** There shall be no mezzanine floors or other internal alterations which would increase the gross retail floor space above that permitted, without the prior approval in writing from the Local Planning Authority.

Reason:-

To enable the Local Planning Authority to retain control in the interests of amenity, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 5** Notwithstanding the provisions of the Town and Country Planning (Use Classes) Order 1987 the use of the building hereby permitted shall be for a mix of retail (A1) and ancillary office accommodation (B1 c)) only and shall be used for no other purpose(s) whatsoever, unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To restrict the use of the premises to one compatible with the surrounding area and to enable the Local Planning Authority to exercise control over any future use not forming part of this application, and that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 6** Before any of the development hereby permitted is commenced, samples of all materials to be used in the external construction of the building(s) shall be submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Reason:

To ensure that the appearance of the proposed development will harmonise with the character of the surrounding area and comply with Policy DC61 of the Development Control Policies Development Plan Document.

- 7** No construction works or deliveries into the site shall take place other than between the hours of 08.00 to 18.00 on Monday to Friday and 08.00 to 13.00 hours on Saturdays unless agreed in writing with the Local Planning Authority. No construction works or deliveries shall take place on Sundays, Bank or Public Holidays unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To protect residential amenity, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 8** Before development is commenced, a scheme shall be submitted to and approved in writing by the Local Planning Authority making provision for a Construction Method Statement to control the adverse impact of the development on the amenity of the public and nearby occupiers. The Construction Method statement shall include details of:

- a) parking of vehicles of site personnel and visitors;
- b) storage of plant and materials;
- c) dust management controls;
- d) measures for minimising the impact of noise and ,if appropriate, vibration arising from construction activities;
- e) predicted noise and, if appropriate, vibration levels for construction using methodologies and at points agreed with the Local Planning Authority;
- f) scheme for monitoring noise and if appropriate, vibration levels using methodologies and at points agreed with the Local Planning Authorities;
- g) siting and design of temporary buildings;
- h) scheme for security fencing/hoardings, depicting a readily visible 24-hour contact number for queries or emergencies;
- i) details of disposal of waste arising from the construction programme, including final disposal points. The burning of waste on the site at any time is specifically precluded.

And the development shall be carried out in accordance with the approved scheme and statement.

Reason:-

To protect residential amenity, and in order that the development accords the Development Control Policies Development Plan Document Policy DC61.

9 Prior to the commencement of any works pursuant to this permission the developer shall submit for the written approval of the Local Planning Authority;

a) A Phase I (Desktop Study) Report documenting the history of this site, its surrounding area and the likelihood of contaminant/s, their type and extent incorporating a Site Conceptual Model.

b) A Phase II (Site Investigation) Report if the Phase I Report confirms the possibility of a significant risk to any sensitive receptors. This is an intrusive site investigation including factors such as chemical testing, quantitative risk assessment and a description of the sites ground conditions. An updated Site Conceptual Model should be included showing all the potential pollutant linkages and an assessment of risk to identified receptors.

c) A Phase III (Risk Management Strategy) Report if the Phase II Report confirms the presence of a significant pollutant linkage requiring remediation. The report will comprise of two parts:

Part A - Remediation Statement which will be fully implemented before it is first occupied. Any variation to the scheme shall be agreed in writing to the Local Planning Authority in advance of works being undertaken. The Remediation Scheme is to include consideration and proposals to deal with situations where, during works on site, contamination is encountered which has not previously been identified. Any further contamination shall be fully assessed and an appropriate remediation scheme submitted to the Local Planning Authority for written approval.

Part B - Following completion of the remediation works a "Validation Report" must be submitted demonstrating that the works have been carried out satisfactorily and remediation targets have been achieved.

d) If during development works any contamination should be encountered which was not previously identified and is derived from a different source and/or of a different type to those included in the contamination proposals then revised contamination proposals shall be submitted to the LPA ; and

e) If during development work, site contaminants are found in areas previously expected to be clean, then their remediation shall be carried out in line with the agreed contamination proposals.

For further guidance see the leaflet titled, "Land Contamination and the Planning Process".

Reason:

To protect those engaged in construction and occupation of the development from potential contamination.

- 10** The use shall not commence until a scheme for external lighting has been submitted and formally approved by the Local Planning Authority. The development shall then be carried out in accordance with the approved details.

Reason:-

To ensure that light levels on site are not harmful to either the open character of the Green Belt and neighbouring residential amenity.

- 11** Before the use commences, the area set aside for car parking shall be laid to provide 11 spaces to the satisfaction of the Local Planning Authority to accord with LDF Policy DC33. This area shall be retained permanently thereafter for the accommodation of vehicles visiting the site and shall not be used for any other purpose.

Reason:-

To ensure that car parking accommodation is made permanently available to the standards adopted by the Local Planning Authority in the interest of highway safety.

- 12** No development shall be commenced until the developer has provided an Energy Assessment, which has been agreed with the planning authority showing how the development will meet the on-site renewable energy requirement of 20%. Thereafter the renewable energy system shall be installed in strict accordance with the agreed details and operational to the satisfaction of the Local Planning Authority prior to the occupation of any part of the development.

Reason:-

In the interests of energy efficiency and sustainability in accordance with Policy DC50 in the LDF Development Control Policies Development Plan Document and Policies 5.7 of the London Plan.

- 13** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 and its subsequent revisions Article 3, Schedule 2, Part 8, Classes A, B, C, D and Part 43, Classes A, B and C no extensions, alterations or hard standing shall take place and no outbuildings or other means of enclosures shall be erected within the site of the approved building shall take place unless permission under the provisions of the Town and Country Planning Act 1990 has first been sought and obtained in writing from the Local Planning Authority.

Reason:-

In the interests of amenity and to enable the Local Planning Authority to retain control over future development, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

INFORMATIVE(S)

The proposed development is considered to be in accordance with the aims, objectives and provisions of Policies DC33, DC36, DC53, DC55, DC61, DC63 of the LDF Core Strategy and Development Control Policies Development Plan Document. Other material considerations namely the demolition of existing authorised buildings and replacement within a single structure and its improvement to the open character of the Metropolitan Green Belt, to justify exception in this case to the strict application of DC45 of the LDF Core Strategy and Development Control Policies DPD.

Note: Following a change in government legislation a fee is now required when submitting details pursuant to the discharge of conditions, in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06.04.2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) is needed.

1. The planning obligations recommended in this report have been subject to the statutory tests set out in Regulation 122 of the Community Infrastructure Levy Regulations 2010 and the obligations are considered to have satisfied the following criteria:-

- (a) Necessary to make the development acceptable in planning terms;
- (b) Directly related to the development; and
- (c) Fairly and reasonably related in scale and kind to the development.

2. The applicant is advised that the London Fire Brigade require the developer shall install a private fire hydrant within the site. This hydrant is to be numbered P111666 and will conform to BS750: 1984 and be indicated with a hydrant indicator plate conforming to BS3251:1976. Upon completion of works, this fire hydrant the surrounding areas should meet flush with the hydrant's frame and cover and the pit should be clear of any debris.

3. In promoting the delivery of safer, stronger, sustainable places the Local Planning Authority fully supports the adoption of the principles and practices of the Secured by Design Award Scheme and Designing out Crime. Your attention is drawn to the free professional service provided by the Police Crime Prevention Design Advisor through Havering Development and Building Control or Romford Police. He is able to provide qualified designing against crime advice, taking account of local conditions and risks. You are strongly advised to contact him at the earliest opportunity.

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 7th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) will be required.
