APPLICATION NO: P1363.12

In pursuance of their powers as Local Planning Authority, the Council have considered your application and have decided to **GRANT PLANNING PERMISSION** for the following development :

Proposal: Demolish bungalow and erect 2 storey house
additional information Received 12/03/2013

Location: 13 Homeway
Romford

The above decision is based on the details in drawing(s):
1605.03 Rev B; -04 Rev D; -05 Rev D; 1:1250 Site location Plan

subject to compliance with the following condition(s):

- 1** The development to which this permission relates must be commenced not later than three years from the date of this permission.

Reason:-

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

- 2** Before the building(s) hereby permitted is first occupied, the area set aside for car parking shall be laid out and surfaced to the satisfaction of the Local Planning Authority and retained permanently thereafter for the accommodation of vehicles visiting the site and shall not be used for any other purpose.

Reason:-

To ensure that car parking accommodation is made permanently available to the standards adopted by the Local Planning Authority in the interest of highway safety, and that the development accords with the Development Control Policies Development Plan Document Policy DC33.

- 3** Before any of the development hereby permitted is commenced, samples of all materials to be used in the external construction of the building(s) shall be submitted to and approved in writing by the Local Planning Authority and thereafter the development shall be constructed with the approved materials.

Reason:-

To ensure that the appearance of the proposed development will harmonise with the character of the surrounding area and comply with Policy DC61 of the Development Control Policies Development Plan Document.

- 4** Before any of the buildings hereby permitted is first occupied, screen fencing of a type to be submitted to and approved in writing by the Local Planning Authority, 2 metres high shall be erected to the rear/side boundaries of the application site and shall be permanently retained and maintained thereafter to the satisfaction of the Local Planning Authority.

Reason:-

To protect the visual amenities of the development and prevent undue overlooking of adjoining property, and that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 5** The proposals should provide a 2.1 by 2.1 metre pedestrian visibility splay on either side of the proposed access, set back to the boundary of the public footway. There should be no obstruction or object higher than 0.6 metres within the visibility splay.

Reason:-

In the interests of highway safety, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC32.

- 6** The development hereby permitted shall not be carried out otherwise than in complete accordance with the approved plans, particulars and specifications (as set out on page one of this decision notice).

Reason:-

The Local Planning Authority consider it essential that the whole of the development is carried out and that no departure whatsoever is made from the details approved, since the development would not necessarily be acceptable if partly carried out or carried out differently in any degree from the details submitted. Also, in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 7** The proposed windows at first floor to the side elevations shall be permanently glazed with obscure glass and fitted with Casement Restrictor Stays such that the maximum opening would be 150mm; and thereafter be maintained to the satisfaction of the Local Planning Authority.

Reason:-

In the interests of privacy, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 8** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended), no window or other opening (other than those shown on the submitted and approved plan,) shall be formed in the flank wall(s) of the building(s) hereby permitted, unless specific permission under the provisions of the Town and Country Planning Act 1990 has first been sought and obtained in writing from the Local Planning Authority.

Reason:-

In order to ensure a satisfactory development that will not result in any loss of privacy or damage to the environment of neighbouring properties which exist or may be proposed in the future, and in order that the development accords with Development Control Policies Development Plan Document Policy DC61.

- 9** No construction works or deliveries into the site shall take place other than between the hours of 08.00 to 18.00 on Monday to Friday and 08.00 to 13.00 hours on Saturdays unless agreed in writing with the Local Planning Authority. No construction works or deliveries shall take place on Sundays, Bank or Public Holidays unless otherwise agreed in writing by the Local Planning Authority.

Reason:-

To protect residential amenity, and in order that the development accords with the Development Control Policies Development Plan Document Policy DC61.

- 10** Prior to the commencement of the development hereby permitted, details of the measures to be incorporated into the development demonstrating how 'Secured by Design' accreditation might be achieved shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details, and shall not be occupied or used until written confirmation of compliance with the agreed details has been submitted to and approved in writing by the LPA

Reason:

Reason: In the interest of creating safer, sustainable communities, reflecting guidance set out in the National Planning Policy Framework, Policy 7.3 of the London Plan, and Policies CP17 Design and DC63 Delivering Safer Places of the LBH LDF.

11 Prior to the commencement of any works pursuant to this permission the developer shall submit for the written approval of the Local Planning Authority;

a) A Phase II (Site Investigation) Report if the Phase I Report confirms the possibility of a significant risk to any sensitive receptors. This is an intrusive site investigation including factors such as chemical testing, quantitative risk assessment and a description of the sites ground conditions. An updated Site Conceptual Model should be included showing all the potential pollutant linkages and an assessment of risk to identified receptors.

b) A Phase III (Risk Management Strategy) Report if the Phase II Report confirms the presence of a significant pollutant linkage requiring remediation. The report will comprise of two parts:

Part A - Remediation Statement which will be fully implemented before it is first occupied. Any variation to the scheme shall be agreed in writing to the Local Planning Authority in advance of works being undertaken. The Remediation Scheme is to include consideration and proposals to deal with situations where, during works on site, contamination is encountered which has not previously been identified. Any further contamination shall be fully assessed and an appropriate remediation scheme submitted to the Local Planning Authority for written approval.

Part B - Following completion of the remediation works a 'Validation Report' must be submitted demonstrating that the works have been carried out satisfactorily and remediation targets have been achieved.

c) If during development works any contamination should be encountered which was not previously identified and is derived from a different source and/or of a different type to those included in the contamination proposals then revised contamination proposals shall be submitted to the LPA ; and

d) If during development work, site contaminants are found in areas previously expected to be clean, then their remediation shall be carried out in line with the agreed contamination proposals.

For further guidance see the leaflet titled, 'Land Contamination and the Planning Process'.

Reason: To protect those engaged in construction and occupation of the development from potential contamination.

12 Prior to commencement of development details shall be submitted to the Local Planning Authority showing existing and proposed land levels and finished floor levels. Once the details are approved in writing, the development shall be constructed in accordance with the approved details.

Reason: In the interests of existing Residential Amenity and in accordance with Policy DC61 of the LDF Core Strategy and Development Control Policies DPD.

INFORMATIVE(S)

- 1** The proposed development is considered to be in accordance with the aims, objectives and provisions of Policies DC2, DC3, DC32 DC33, DC35, DC61 and DC63 of the LDF Core Strategy and Development Control Policies Development Plan Document.

Note: A fee is required when submitting details pursuant to the discharge of conditions. In order to comply with the Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012, which came into force from 22.11.2012, a fee of £97 per request or £28 where the related permission was for extending or altering a dwellinghouse, is needed.

- 2** The proposal is liable for the Mayor of London Community Infrastructure Levy (CIL). Based upon the information supplied with the application, the CIL payable would be £2,640. CIL is payable within 60 days of commencement of development. A Liability Notice will be sent to the applicant (or anyone else who has assumed liability) shortly. Further details with regard to CIL are available from the Council's website.

- 3** Statement Required by Article 31 (cc) of the Town and Country Planning (Development Management) Order 2010: No significant problems were identified during the consideration of the application, and therefore it has been determined in accordance with paragraphs 186-187 of the National Planning Policy Framework 2012.

- 4** - The developer is advised that if construction materials are proposed to be kept on the highway during construction works then they will need to apply for a license from the Council.

- The Applicant is advised that planning approval does not constitute approval for changes to the public highway. Highway Authority approval will only be given after suitable details have been submitted, considered and agreed. Any proposals which involve building over the public highway as managed by the London Borough of Havering, will require a licence and the applicant must contact StreetCare, Traffic & Engineering on 01708 433750 to commence the Submission/ Licence Approval process.

- Should this application be granted planning permission, the developer, their representatives and contractors are advised that this does not discharge the requirements under the New Roads and Street Works Act 1991 and the Traffic Management Act 2004. Formal notifications and approval will be needed for any highway works (including temporary works) required during the construction of the development.

IMPORTANT - attention is drawn to the notes overleaf

**NOTES IN CONNECTION WITH APPROVAL OF APPLICATIONS SUBJECT TO CONDITIONS
OR REFUSAL OF APPLICATIONS FOR PLANNING PERMISSION**

- (1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or to grant permission or approval subject to conditions, an appeal may be made to the First Secretary of State at the Department for Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990 within six months of the date of this notice. However, if an enforcement notice is subsequently served relating to the same or substantially similar land and development and you want to appeal you must do so within 28 days of the service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House. 2 The Square. Temple Quay. Bristol BS1 6PN or from the Planning Inspectorate's web site, www.planning.inspectorate.gov.uk

- (2) When submitting the completed appeal form to the Planning Inspectorate, a copy should be sent to Planning, London Borough of Havering, 7th Floor Mercury House, Mercury Gardens, Romford, RM1 3SL. The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise these powers unless there are special circumstances which excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. Where the decision of the local planning authority is based upon a direction from the First Secretary; it is not the practise to refuse to accept appeals solely because of this direction.
- (3) If permission to develop land is refused or granted subject to conditions, whether by the local planning authority or by the First Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, a purchase notice may be served on the London Borough of Havering requiring the council to purchase the land in accordance with the provision of Part VI of the Town and Country Planning Act 1990.
- (4) In certain circumstances, a claim may be made against the local planning authority for compensation where there has been an appeal or where an application has been referred to the First Secretary, and where planning permission is refused or granted subject to conditions. The circumstances in which such compensation is payable are set out in section 114 of the Town and Country Planning Act 1990.
- (5) The statutory requirements are those set out in section 79(6) of the Town and Country Planning Act 1990, namely Sections 70, 71 and 72(1) of the Act.

You are reminded that Building Regulations approval may also be required for these works. You must contact the Building Control Manager or Building Inspector to confirm if permission is required.

Note: Following a change in government legislation a fee is now required for the request for Submission of details pursuant to discharge of conditions in order to comply with the Town and Country Planning (Fees for Applications and Deemed Applications) (Amendment) (England) Regulations, which came into force from 06/04/2008. A fee of £85 per request (or £25 where the related permission was for extending or altering a dwellinghouse) will be required.
