DATE VALID: 16th June 2017
DECISION DATE: 23rd February 2018
PARISH: Siston Parish Council

NOTICE OF DECISION

South Gloucestershire Council in pursuance of powers under the above mentioned Act hereby PERMIT:

APPLICATION NO: PK17/2778/O

DESCRIPTION OF DEVELOPMENT: Demolition of existing dwelling and outbuildings and erection of 8. no dwellings with access and layout to be determined and all other matters reserved (Outline).

APPLICANT: Mr D Turner

LOCATION: Bridge House Farm Siston Common Siston Bristol South Gloucestershire

In accordance with the application and accompanying plans, subject to the conditions specified below:

CONDITIONS

1. Approval of the details of the scale and appearance of the building(s) and the landscaping of the site (hereinafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before any development is commenced.

Reason

This is an outline permission only and the reserved matters shall be made to the Local Planning Authority.

Strategic Planning, South Gloucestershire Council, Department For Environment And Community Services

PO Box 1954, Bristol, BS37 0DD

Telephone: 01454 868004 Email: planningapplications@southglos.gov.uk

- Plans and particulars of the reserved matters referred to in the condition above, relating to the scale and appearance of any buildings to be erected, and the landscaping of the site, shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.

Reason

This is an outline permission only and the reserved matters shall be made to the Local Planning Authority.

- Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of three years from the date of this permission.

Reason

This is an outline permission only and the reserved matters shall be made to the Local Planning Authority.

- The development hereby permitted shall be begun either before the expiration of three years from the date of this permission, or before the expiration of two years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

Reason

This is an outline permission only and the reserved matters shall be made to the Local Planning Authority.

- Prior to the commencement of development, engineering details of the proposed new access road and provision of a new footway as shown in principal on the submitted plan (i.e. drawing no 70569/01/001 Rev H) shall be submitted to and agreed in writing by the local planning authority. Prior to the first occupation of any dwelling hereby approved, the highway works to be completed in full and in accordance with the Council's adoptable standards of construction so agreed.

Reason

This is a pre-commencement condition to avoid any unnecessary remedial action in the future and in the interests of residential amenity and highway safety, and to accord with Policy CS8 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013; PSP8 of the South Gloucestershire : Policies Sites and Places (adopted) 2017: and the National Planning Policy Framework.

- The dwellings shall not be occupied until the access (including the footway buildout) and car and cycle parking arrangements have been completed in accordance with submitted and approved plan 70569/01/001 Rev H.

PO Box 1954, Bristol, BS37 0DD

Telephone: 01454 868004 Email: planningapplications@southglos.gov.uk

PK17/2778/O

Reason

To ensure the satisfactory provision of parking facilities and in the interest of highway safety and the amenity of the area, and to accord with Policy CS8 of the South Gloucestershire Local Plan; Core Strategy (Adopted) December 2013; and the South Gloucestershire Residential Parking Standards SPD (Adopted) December 2013.

7. A site specific 'Construction Environmental Management Plan' (CEMP), shall be agreed in writing with the Local Planning Authority prior to commencement of work. The CEMP as approved by the Council shall be fully complied with at all times.

The CEMP shall address the following matters:

- (i) Measures to control dust from the demolition and construction works approved.
- (ii) Adequate provision for the delivery and storage of materials and provision of suitable contractor's parking on site.
- (iii) Measures to control the safe movement of construction traffic on Siston Common leading into the site.
- (iv) Deliveries shall only take place Monday to Friday between the hours of 09:30 to 15:00 (school term time) and 09:00 to 16:00 (outside of school term time) and 09:00 to 12:00 Saturday. No deliveries on a Sunday.
- (v) Details of how construction work is to be managed to ensure that the access road is not obstructed.
- (vi) Details of how residents of the access road and adjacent properties will be kept informed about the programme of works including the timing of large vehicle deliveries.
- (vii) Contact details for the Site Manager.

Reason

In the interests of highway safety, and to accord with Policy CS8 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013 and the National Planning Policy Framework.

8. No development shall commence until surface water drainage details including SUDS (Sustainable Drainage Systems e.g. soakaways if ground conditions are satisfactory), for flood prevention; pollution control and environmental protection have been submitted and approved by the Local Planning Authority.

Reason:

This is a pre-commencement condition to avoid any unnecessary remedial action in the future and to comply with Policy CS1 and CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013 and National Planning Policy Framework 2012.

9. Developments on potentially contaminated land

The historic use of the site as a farm/outbuildings may have caused contamination which could give rise to unacceptable risks to the proposed development. The following conditions should therefore be included in any approval.

A) Desk Study - Previous historic uses(s) of the site may have given rise to contamination. Prior to commencement, an investigation (commensurate with the nature and scale of the proposed development) shall be carried out by a suitably competent person into the previous uses and contaminants likely to affect the development. A report shall be submitted for the written approval of the Local Planning Authority prior to the commencement of development.

B) Intrusive Investigation - Where potential contaminants are identified under (A), prior to the commencement of development excepting necessary demolition works, an investigation shall be carried out by a suitably competent person to ascertain the extent, nature and risks the contamination may pose to the development in terms of human health, ground water and plant growth. A report shall be submitted prior to commencement of the development for the written approval of the Local Planning Authority setting out the findings (presented in terms of a conceptual model) and identify what mitigation measures are proposed to address unacceptable risks (Remediation Strategy). The resulting Remediation Strategy shall include a schedule of how the works will be verified (Verification Strategy). Thereafter the development shall proceed in accordance with any agreed mitigation measures. (Note (A) and (B) may be combined if appropriate).

C) Verification Strategy - Prior to occupation, where works have been required to mitigate contaminants (under section B) a report verifying that all necessary works have been completed satisfactorily shall be submitted to and agreed in writing by the Local Planning Authority.

D) If unexpected contamination is found after the development is begun, development shall immediately cease upon the part of the site affected. The Local Planning Authority must be informed immediately in writing. A further investigation and risk assessment should be undertaken and where necessary an additional remediation scheme prepared. The findings and report should be submitted to and agreed in writing with the Local Planning Authority prior to works recommencing. Thereafter the works shall be implemented in accordance with any further mitigation measures so agreed.

Note: An appropriate investigation is likely to include the following:

i) A comprehensive desk study to identify all potential sources of contamination both arising on-site and migrating onto site from relevant adjacent sources.

Telephone: 01454 868004 Email: planningapplications@southglos.gov.uk

PK17/2778/O

- ii) A comprehensive ground investigation including sampling, to quantify the extent and nature of contamination.
- iii) An appropriate risk assessment to determine the scale and nature of the risks to human health, groundwater, ecosystems and buildings arising from the contamination. This will normally be presented in the form of a conceptual model.
- iv) A report detailing the remediation options including the final proposals for mitigating any identified risks to the proposed development.
- v) All works should be carried out with reference to the most relevant, appropriate and up to date guidance.

For further advice on contaminated land investigations, the applicant can contact Environmental Services on (01454-868001).

Reason:

This is a pre-commencement condition to avoid any unnecessary remedial action in the future and to ensure that adequate measures have been taken to mitigate against contaminated land to accord with Policy CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013 and the National Planning Policy Framework.

10. In order to protect the hedgerows a Tree Protection Plan is to be submitted with any reserved matters application. This is to be approved in writing by the LPA.

Reason

To protect the character and appearance of the area to accord with Policies CS1 and CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013 and the National Planning Policy Framework.

11. As part of the submission of reserved matters: a scheme of intrusive site investigations, designed by a competent person and adequate to properly assess the ground conditions on the site and establish the risks posed to the development by past coal mining activity shall be undertaken. The report of findings from the intrusive site investigations and any remedial measures necessary, including the submission of a layout plan which illustrates the location and alignment of the mine entry (adit) in relation to the development must be submitted to the LPA and approved in writing. Development shall proceed in accordance with the approved details.

Reason

To ensure that adequate measures have been taken to mitigate against contaminated land to accord with Policy CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013 and the National Planning Policy Framework.

PK17/2778/O

12. The development must proceed in strict accordance with the Precautionary Method Statement (Section 5 of Ecological Impact Assessment). Any deviation from agreed method statement must be agreed with the local planning authority for approval in writing.

Reason

To ensure the works are carried out in an appropriate manner and in the interests of local biodiversity, and to accord with Policy PSP19 of the South Gloucestershire Local Plan: Policies, Sites and Places Plan (Adopted) November 2017; Policy CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013; and, the National Planning Policy Framework.

13. Prior to first occupation, a sensitive lighting scheme for bats shall be submitted to the local planning authority for approval in writing. The scheme must avoid lighting boundary features and provide luminaires with hoods or cowl and low wattage bulbs

Reason

To ensure the works are carried out in an appropriate manner and in the interests of local biodiversity, and to accord with Policy PSP19 of the South Gloucestershire Local Plan: Policies, Sites and Places Plan (Adopted) November 2017; Policy CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013; and, the National Planning Policy Framework.

14. Prior to first occupation, the location and type of two bat boxes and two bird boxes shall be submitted to the local planning authority for approval in writing.

Reason

To ensure the works are carried out in an appropriate manner and in the interests of local biodiversity, and to accord with Policy PSP19 of the South Gloucestershire Local Plan: Policies, Sites and Places Plan (Adopted) November 2017; Policy CS9 of the South Gloucestershire Local Plan: Core Strategy (Adopted) December 2013; and, the National Planning Policy Framework.

ADDITIONAL INFORMATION

1. This decision relates only to the plans identified below:
As received by the Council on 10.1.18:
Combine plans - 70569/01/001 Rev H
2. This permission shall not be construed as granting rights to carry out works on, or over, land not within the ownership, or control, of the applicant.
3. You must obtain the prior written consent of the owner and occupier of any land upon which it is necessary for you to enter in order to construct, externally finish, decorate or in any other way carry out any works in connection with this development including future repairs/maintenance, or to obtain support from adjoining property. This permission does not authorise you to take such action without first obtaining this consent. Your attention is also drawn to the Access of Neighbouring Land Act 1992 and Party Wall Act 1996.
4. This Decision Notice grants planning permission. You are advised that it does not imply compliance with Building Regulations and it is essential that you contact the Council's Building Control Manager with regard to your proposals before proceeding.
5. Implementation of the highway works shown on drawing 70569/01/001 Rev H, will require the Applicant to enter into a S278 Highway Works Agreement with South Gloucestershire Council.
Further details and an Application Form can be found at the following link.
<http://www.southglos.gov.uk/transport-and-streets/streets/adoption-of-newroads/highway-adoption-process/>
6. If the development results in a maximum combined gross floorspace of 1,000 square metres (gross internal area) or more, then housing enabling contributions will be triggered.
7. Informatives regarding Siston Common:
 - The developer must ensure that no materials or equipment are stored on the Common for any length of time before, during or after the development goes ahead.
 - The developer must ensure no vehicles associated with this development are parked on the grassed Common for any length of time before, during or after the development is completed.
 - The developer must not allow any building waste/materials to be dumped or stored on the Common for any length of time before, during or after the development goes ahead.

PLANNING PERMISSION THE NEXT STEPS

Your Decision could be subject to conditions. It is essential that you comply with these conditions in order to protect your planning permission. If you have conditions requiring details to be submitted prior to the commencement of development then failure to discharge these conditions could invalidate your planning permission and result in enforcement action being taken against the development.

HOW TO APPLY TO DISCHARGE CONDITIONS ON YOUR PLANNING PERMISSION

If the condition requires you to agree something in writing with the Authority before development commences then you will need to consider submitting these details at least 8 weeks prior to starting work. In order to submit your application, you can do so by one of the following options:

- Submit an online application using the Planning Portal online application service www.planningportal.gov.uk/
- Complete an application form online via the Planning Portal online Application service, www.planningportal.gov.uk/ printing it off and enclosing it with the correct plans, fee and details before sending it to Development Services.
- Download a copy of the application form from the South Gloucestershire website on www.southglos.gov.uk/planning.
- Request a paper copy from our PT&SE Customer Contact Centre by calling 01454 868004.
- Visit one of the Council One Stop Shop receptions to collect a paper copy of the application form.

The fee amount is £28 per request relating to 'householder' applications and £97 for any other full planning applications.

The fee is payable for each submission (a single submission may be for more than one condition to be discharged).

COMMUNITY INFRASTRUCTURE LEVY (CIL)

If this application has been identified as being liable to CIL you should not commence development until the requirements and obligations under CIL have been established. If we require further information we will write to you requesting this. Where we already have clear information about the proposal and assumed liability we will issue a liability notice shortly. Further information can be found on our website at www.southglos.gov.uk/environment-and-planning/planning/community-infrastructure-levy

BUILDING REGULATIONS

You might require separate Building Control approval and you can also secure this through the Council. For advice on development requiring Building Regulations approval please visit the Planning Portal or contact our Team on 01454 868271

ACTING AS AN AGENT?

Please forward the full copy of this decision to your client and advise them of any conditions. The Council continues to be involved with enforcement action taken against applicants who claim not to have been passed the decision by their Agent.

APPEALS AGAINST THE DECISION OF THE LOCAL PLANNING AUTHORITY (LPA)

If the applicant is aggrieved by the decision to refuse permission/consent for this proposal or to grant permission/consent subject to conditions, he may appeal to the Secretary of State for the Department of Communities and Local Government (SOS) in accordance with the provisions below. All appeals should be submitted on a form obtainable from The Planning Inspectorate, at the address below.

- (a) Refusal of planning permission for **Householder applications – within 12 weeks** (Article 37 of the Town & Country Planning (Development Management Procedure) (England) Order 2015)
- (b) Refusal of planning permission or permission granted subject to conditions - **within 6 months** (Section 78 Town & Country Planning Act 1990 (T & CPA) and Article 37 of the Town & Country Planning (Development Management Procedure) (England) Order 2015)
- (c) Refusal of Listed Building consent or consent granted subject to conditions. Refusal of Conservation Area consent or the decision of the LPA on an application to vary or discharge conditions attached to a Listed Building consent **within 6 months** (Regulation 8 of the Town & Country Planning (Listed Buildings and Conservation Areas) Regulations 1990 and Section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- (d) Refusal of consent for display of advertisement or consent granted subject to conditions - **within 8 weeks** of the date you receive the Council's decision - please refer to separate notice attached where necessary.
- (e) Refusal of Tree Preservation Order consent or consent granted subject to conditions. Issuing of an Article 5 certificate on refusing consent or an Article 6 direction on granting consent to fell any part of a woodland – within 28 days Town & Country Planning (Trees) Regulations 2012.

The SOS has power to allow a longer period for the giving of a notice of appeal but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. He is not however required to entertain an appeal if it appears to him that permission for the proposals could not have been granted by the LPA, or could not have been granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development orders and to any directions given under the orders.

In the case of refusal of permission to develop land or refusal of Listed Building consent or the granting of permission or Listed Building consent subject to conditions whether by the LPA or SOS and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development works which has been or would be permission, he may serve on the Council in which the land is situated a Purchase Notice (or Listed Building Purchase Notice) requiring the Council to purchase his/her interest in the land in accordance with the provisions of Part VI, Chapter 1 of the Town & CP Act 1990 and Part 1, Chapter III of the Planning (Listed Buildings and Conservation Areas) Act 1990.

In certain circumstances (not applicable to Advertisement proposals) a claim may be made against the LPA for compensation where permission is refused or granted subject to conditions by the SOS on appeal or on reference of the application to him.

NOTES IN RESPECT OF SUBMISSION OF APPEALS

Data Protection: Please note all appeal documentation will appear on the Planning Casework Service website.

When submitting an appeal, please note that an identical set of documents should be sent to both the local authority and The Planning Inspectorate at the following addresses:

| | |
|---|---|
| Strategic Planning South Gloucestershire Council, Department For Environment And Community Services PO Box 1954, Bristol, BS37 0DD | The Planning Inspectorate Room 3/04 Kite Wing 2 The Square Temple Quay Bristol BS1 6PN |
|---|---|

Please ensure this instruction is complied with in order to avoid any unnecessary delay.

NOTES IN RESPECT OF APPLICATIONS FOR CONSENT TO DISPLAY ADVERTISEMENTS

1. Under the provisions of Schedule 2 of the Town & Country Planning (Control of Advertisements) Regulations 2007 before any advertisement is displayed, the permission of the owner of the land, or building on which the advertisement is to be displayed must be obtained.
2. If a conditions imposing a time limit has been expressly included as part of a consent, then that condition must be observed. If no such condition is imposed Regulation 14 (7) of the 2007 Regulations provides that any consent is granted for a period of FIVE YEARS from the date hereof.
3. Where the Authority grant consent for a period shorter than five years they shall (unless the application required such a consent) state in writing their reasons for doing so, and the limitation in respect of time shall for the purposes of these Regulations be deemed to be a condition imposed upon the granting of consent.
4. At any time within a period of 6 months before the expiry of a consent granted under these Regulations, application may be made for the renewal thereof and the provisions of these Regulations relating to applications for consent and to the determination thereof shall apply where application is made for such renewal.
5. Penalty for Contravention. The amount of the fine to which a person who displays an advertisement in contravention of these Regulations is liable on summary conviction as set out in Section 224 of the Town and Country Planning Act 1990 and Regulation 30 of the 2007 Advertisement Regulations.

NOTES IN RESPECT OF ALL APPLICATIONS

1. Attention is drawn to the need for strict compliance with the approved plan(s), failing which appropriate action will be taken.
2. If planning permission has been granted for the development, please note that should this involve any work within the highway, such as the construction of a vehicular access, the consent of the Highway Authority should be obtained.
3. WHERE PLANNING PERMISSION OR LISTED BUILDING CONSENT HAS BEEN GRANTED, APPROVAL MAY ALSO BE REQUIRED UNDER THE BUILDING REGULATIONS BEFORE ANY WORK IS COMMENCED.
4. Although planning permission may have been granted, should the proposed work involve the demolition, alteration or extension of a Listed Building or the demolition of an existing building in a Conservation Area, Listed Building or Conservation Area Consent will also be required before the work commences.
5. If the work authorised by this permission requires the supply of utility or other public services, you are requested to contact the appropriate statutory or other undertaker as soon as possible following the receipt of the decision. Failure to do so may result in delay in the provision of these services.
6. If planning permission has been granted this may be subject to condition(s) as listed on the decision notice. Some of these conditions require details to be submitted or other work to be carried out before development commences (conditions precedent). If you start development without complying with any such conditions you may invalidate the permission itself. Requests to discharge or confirm conditions made under Article 27 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 should be submitted on the appropriate forms and with any required fee.

Any further information concerning this decision may be obtained from the Director of Environment and Community Services Please quote the Reference Number of this permission in any correspondence.
